VISHWAPRAJNA COMPOSITE PU COLLEGE

No. CA-20, Dattagalli 3rd Stage, Mysuru - 570033

VISHWAPRAJNA SCHOLARSHIP POLICY – 2027

PURPOSE

The **VISHWAPRAJNA SCHOLARSHIP** Program is established to identify meritorious and deserving students who have completed Class X and support their pursuit of higher education by providing **100% scholarships.** The institution seeks to help students pursue their aspirations in engineering, medicine, and other professional fields without the burden of the applicable PU course fee.

OUR COMMITMENT

It aims to provide deserving students with an opportunity to pursue result-oriented PU education and focused competitive examination preparation through dedicated coaching batches, integrated academic learning, regular assessments, mentoring, and structured preparation,

COMMON ACADEMIC BENEFITS AND COVERAGE FOR ALL SCHOLARSHIP STUDENTS

Selected students will receive up to 100% scholarship on PUC course fees for the approved two-year PUC course and also integrated JEE, NEET or CET coaching fees.

A. Two-Year Integrated Academic Programme

Students will receive PU education integrated with their selected competitive examination coaching, enabling them to prepare for board examinations and entrance examinations simultaneously.

B. Vishwaprajna 5-Step Learning System

Students will be guided through a structured learning approach:

1. **NCERT Line-by-Line Learning:** Systematic understanding of prescribed textbook concepts.
2. **MCQ Practice:** Regular competitive examination-oriented question practice.
3. **Previous Years' Questions (PYQs):** Familiarisation with examination patterns.
4. **Daily Practice Problems (DPPs):** Regular practice to improve problem-solving ability.

C. Regular Tests and Academic Assessment

Students will undergo periodic assessments, Leson based Assessment, (LBA) subject-wise tests, and competitive examination-oriented practice to evaluate their academic progress.

D. Guided Study and Academic Support

Students will receive guidance for systematic study, revision, assignment completion, and preparation for PU and competitive examinations.

E. Individual Academic Monitoring, Mentoring and Career Guidance

The college will monitor students' academic performance and provide appropriate guidance to help them improve their understanding, discipline, and guidance regarding competitive examinations, higher education opportunities, course selection, and academic planning based on their aspirations and performance.

SCHOLARSHIP CATEGORIES

1. PRAJNA PROTSAHA - Merit-Based Scholarship

"Excellence Deserves a Reward."

Recognising and rewarding students for their outstanding academic excellence in the class X Annual Examination. This prestigious scholarship honours their dedication, perseverance and academic achievements while inspiring them to pursue higher education with pride, confidence and ambition.

- Students across Karnataka who are studying class X from a recognised board (SSLC, CBSE, ICSE) are eligible to apply.
- No additional scholarship test is required for eligibility.
- Scholarship aspirants must complete their registration on or before **15th January 2027**.
- Applications will be considered on a first-come, first-served basis among eligible students who have successfully completed the registration process.
- The scholarship percentage shall be determined based on the percentage of marks obtained in the 10th Standard, according to below approved merit-based scholarship slabs.

Students scoring 86% and above in their Class 10 examinations can receive a 100% scholarship on PUC course fees and integrated coaching fees.

That means FREE PUC EDUCATION and FREE INTEGRATED ENTRANCE-EXAM COACHING.

REGISTRATION CANCELLATION AND REFUND POLICY - Applicable Conditions and Procedures

1. IF THE STUDENT IS NOT SELECTED

If a student is not selected for the scholarship, **the full registration payment of ₹16,500 will be refunded** within 24 hours of the announcement of the selection results.

2. IF THE STUDENT IS SELECTED BUT DECLINES THE SCHOLARSHIP

If a student is selected but decides not to accept or avail of the scholarship, **the full amount of ₹16,500 will be refunded**, provided the student submits a written withdrawal request to the college **before proceeding with admission**.

3. IF THE STUDENT ACCEPTS THE SCHOLARSHIP

If a student accepts the scholarship and proceeds with admission, the ₹16,500 will be utilised towards the student kit, books, and uniform. The amount will not be refundable under the selection-decline conditions stated above.

4. IF THE STUDENT WITHDRAWS AFTER ACCEPTING THE SCHOLARSHIP

If a student withdraws after formally accepting the scholarship and proceeding with admission, the refund of ₹16,500 will be subject to the college's declared withdrawal and refund policy.

5. VERIFICATION AND REFUND PROCESSING

The college office will verify the student's registration, payment receipt, selection status, and refund eligibility. For eligible applicants who are not selected for the scholarship, the full refund will be initiated within 24 hours of the announcement of the selection results. For other eligible withdrawal requests, the refund will be processed according to the applicable refund terms.

APPLICATION, SELECTION PROCEDURE AND ADMISSIONS GUIDELINES

General Conditions Applicable to All Four Scholarships

1. **Registration:** Students are strongly encouraged to register early, as scholarship seats are limited and will be allocated on a first-come, first-served basis, subject to eligibility and seat availability, with registrations closing on **15 January 2027.**
2. **Late Applications:** Applications received after the announced deadline of **15 January 2027** may not be considered.
3. **Document submission:** Applicants must submit all required documents for verification. Incomplete applications shall not be considered for scholarship selection.
4. **Admission requirement:** Scholarship eligibility does not automatically guarantee admission. Students must satisfy the applicable admission requirements of the college.
5. **Verification:** The college reserves the right to verify submitted certificates, marks cards, income records, service documents and achievement records.
6. **Accuracy of information:** Applicants must provide accurate and genuine information. Submission of false, misleading or fraudulent documents may result in rejection.
7. **Scholarship allocation:** Scholarships shall be awarded according to the approved eligibility criteria, scholarship percentages, category-wise seat allocation and availability.
8. **Waiting list:** Unfilled seats are offered to the next eligible candidates in the corresponding batch's merit order.
9. **Student kit, books and uniform charges:** The compulsory student kit, books and uniform charge of ₹16,500 is separate from the course fee and is payable by every student, including students awarded a 100% scholarship.
10. **Cancellation:** The college reserves the right to revoke the scholarship if a student engages in any form of academic malpractice, unethical conduct, or violates the rules, regulations, code of conduct, or disciplinary protocols of the institution.
11. **Policy interpretation:** The college management shall have the authority to interpret, implement, and resolve any clarification or matter not explicitly addressed in this scholarship policy, subject to applicable rules and regulations, and communicate its decisions to the applicants.

TWO-YEAR SCHOLARSHIP CONTINUATION POLICY

The scholarship and integrated coaching benefits are intended to support students throughout the two-year PU programme, subject to continued participation and compliance with the published conditions.

REQUIREMENT	POLICY
Attendance	Minimum 95%, subject to approved leave and applicable rules
Academic participation	Regular participation in PUC bord classes, integrated coaching and guided study sessions.
Assessments	Participation in scheduled tests, assignments and mock examinations
Discipline	Compliance with college rules and examination integrity requirements
Renewal	Written confirmation of continuation for 2nd PUC
Counselling	Students who experience academic difficulty should receive counselling and an opportunity to improve.

DEDICATED COACHING BATCH ALLOCATION

To ensure effective academic training and focused preparation selected scholarship students will be organised into separate coaching batches based on their competitive examination preference and the applicable scholarship selection and admission criteria.

JEE TARGET BATCH

It is designed for scholarship students aspiring to pursue engineering education through the Joint Entrance Examination (JEE).

COACHING BENEFITS

1. Dedicated Engineering Entrance Preparation

Students will receive specialised coaching in Physics, Chemistry, and Mathematics, with preparation focused on the requirements of JEE Main and, where applicable, JEE Advanced.

2. Integrated PU and JEE Curriculum

PU syllabus preparation and competitive examination coaching will be integrated to help students develop strong conceptual understanding while preparing for engineering entrance examinations.

3. SPECIAL EMPHASIS WILL BE GIVEN TO:

- Conceptual Understanding and Develop Problem-Solving skillsets
- Application-based learning,
- Numerical problem-solving techniques.
- Higher-order thinking and analytical reasoning.
- Topic-wise practice questions, Previous years' JEE questions.
- Periodic tests and performance assessments.

4. Competitive Examination Strategy

Students will receive guidance on examination patterns, question analysis, time management, accuracy, and strategies for attempting different types of questions.

5. Academic Monitoring

Students' academic progress will be monitored through regular assessments, feedback, and guidance to identify learning gaps and improve performance.

NEET EXPERT BATCH

It is designed for scholarship students aspiring to pursue medicine and allied fields through structured NEET exam preparation.

COACHING BENEFITS

1. Dedicated Medical Entrance Preparation

Students will receive specialised coaching in Physics, Chemistry, and Biology, with preparation aligned with the NEET syllabus and latest examination pattern.

2. Integrated PU and NEET Curriculum

PU Science education and NEET preparation will be coordinated to help students understand the prescribed syllabus thoroughly while developing competitive examination skills.

3. SPECIAL EMPHASIS WILL BE GIVEN TO:

- NCERT-Based Conceptual Learning (Line by Line)
- Systematic study of NCERT concepts.
- Understanding important definitions, diagrams, and scientific principles.
- Conceptual clarity in Physics and Chemistry & Detailed understanding of Biology.
- Application of concepts to NEET-level questions.
- Chapter-wise MCQs, Topic-wise question banks.
- Previous years' NEET questions.
- Assertion-reason and application-based questions, where relevant.
- Regular assignments and practice tests.

4. Regular Testing and Performance Analysis

Students will participate in periodic assessments and examination-oriented tests to evaluate their preparation, identify weak areas, and improve accuracy and time management.

5. Academic Guidance and Mentoring

Individual academic progress will be reviewed, and students will receive guidance to improve conceptual understanding, study discipline, and examination readiness.

CET FOCUS BATCH

The CET FOCUS Batch is designed for scholarship students aspiring to pursue engineering and other eligible professional courses through the Karnataka CET admission process.

COACHING BENEFITS

1. FOCUSED KCET Preparation

Students will receive focused preparation in Physics, Chemistry, Mathematics and Biology according to the applicable KCET syllabus and examination pattern.

2. Integrated PU and CET Learning

PU academic preparation will be coordinated with KCET coaching to help students strengthen their understanding of the prescribed syllabus and prepare effectively for the entrance examination.

SPECIAL EMPHASIS WILL BE GIVEN TO:

- KCET-Oriented concepts from the prescribed syllabus.
- KCET examination pattern, Previous years' KCET questions.
- Topic-wise MCQ practice, Numerical problem-solving.
- Required shortcuts, Accuracy and speed.

4. Regular Practice and Assessment

- Chapter-wise assignments, Previous years' question papers.
- Periodic CET-oriented tests.
- Performance evaluation and feedback.

5. Examination Strategy and Time Management

Students will be guided in understanding the examination pattern, managing time effectively, improving accuracy, and developing confidence in attempting KCET questions.

6. Revision and Performance Improvement

Regular revision sessions and academic assessments will help students identify weak areas and improve their preparation throughout the two-year PU programme.

7. Academic Mentoring

Students will receive academic guidance, performance monitoring, and support to maintain consistent preparation for the KCET examination.
